

ARID BILGE SYSTEMS™

We provide products that automatically maintain a clean, dry bilge, improving the onboard environment while simultaneously protecting the surrounding marine habitat from harmful discharge.

**NORMAL
BILGE**

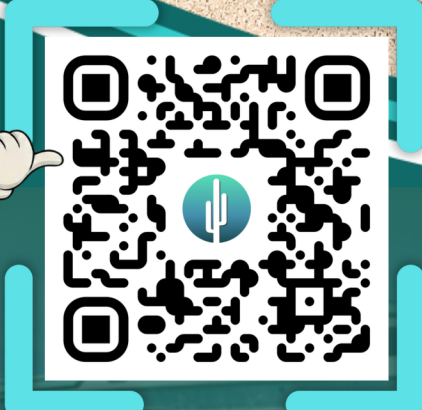

**ARID
BILGE**

- ✓ Get rid of that "mature vessel smell"
- ✓ Prevent mold and mildew growth
- ✓ Reduce onboard humidity
- ✓ Enhance the vessel's resale value
- ✓ Protect the hull from osmosis or corrosion
- ✓ Lower maintenance costs
- ✓ Prevent rust and condensation damage
- ✓ Separate out oil with our add-on devices
- ✓ Find small oil leaks easily

Bilge Water Destroys Boats from the Inside Out...

Arid Keeps Boats Dry, Fresh, & Protected Automatically!
